GE Laundry & Home Appliances

Our products provide the comfort, care, and cleaning you need for your home. Whether you need a washer and dryer, water filtration system, room air conditioner, or dehumidifier, GE Appliances offers a variety of products and appliances for your home.

Trust GE Appliances when you need washer and dryer machines. Our top load washers and front load washers are some of the best washing machines on the market. Our washing machine dryer sets include features like our UltraFresh Vent System with Odorblock™ to prevent odors, built-in WiFi to connect to our SmartHQ app, and cycles to clean and dry just about any load. Our durable washing machine with dryer sets look great in your kitchen, laundry room, or basement.
